

Takashi Itoh
Senior Vice President,
Business Operation
Salesforce Japan Co.,Ltd

As Senior Vice President, Business Operation, Takashi Itoh oversees the Business Operation, sales enablement, risk management, and sustainability and corporate responsibilities teams. He is also responsible for driving the company's Equality initiatives, including support for people with disabilities. Itoh joined Salesforce in March 2014 as Vice President, Corporate Strategy & Sales Strategy.

Before joining Salesforce, Itoh served as Chief Finance Officer at Hewlett-Packard Japan, Ltd. overseeing the execution of company finance strategy. Prior to Hewlett-Packard Japan, he held finance and tax accounting roles at IBM Japan Ltd. While at IBM, Itoh spent some years on overseas assignments at the IBM headquarters in New York from 1999 and at the Asia Pacific headquarters from 2001.
